CONCEPTVINES
AI first Digital Engineering Specialist

10th February 2026

To whom it may concern

Subject: Internship Completion Certification

This is to certify that Sasidhar A successfully completed internship with ConceptVines from 17 November 2025 to 30 January 2026. The internship was based in ConceptVines office located in Chennai.

During this period, Sasidhar made valuable contributions to projects in Artificial Intelligence and Machine Learning, with a focus on evaluating internal chatbot conversation logs using an LLM-as-a-Judge framework. The work involved analyzing automated and intelligent conversational responses, understanding chatbot workflows, evaluating response quality using metrics such as answer relevancy, helpfulness, clarity, hallucination, and toxicity, and developing a web-based evaluation dashboard along with automated PDF reporting for review. He had consistently demonstrated strong interpersonal and organizational abilities during this period.

We appreciate Sasidhar's dedication and contributions and wish him every success in his future endeavours.

Should you require any further information, please feel free to contact us.

Yours sincerely,
